

Arizona Filing Deadlines

Note: Some of these deadlines may be PRELIMINARY (p), others may be FINAL (f). Please check back after February 28, 2026 for final deadlines.

Both TaxDetective's and the County Assessors' deadlines are shown below. Generally, TaxDetective's deadline is 10 days prior to the Assessor's. Please return your forms to us before TaxDetective's deadline so that we have ample time to analyze your property, prepare the necessary paperwork and file your Appeal. **We recommend that you email the two forms in PDF format to us.**

Failure to return your forms before TaxDetective's deadline may mean that we will not have sufficient time to analyze your property's valuation and, if justified, file your Appeal before the County deadline.
